

Multimix USB Mixers

PROFESSIONAL ALL-IN-ONE MIXER AND AUDIO INTERFACE

Available in 8, 12, and 16-channel configurations, these compact tabletop mixers provide USB 2.0 technology for ultra-fast, low-latency, 24-bit/44.1–48kHz (with high-end A/D and D/A conversion) multi-channel audio recording straight to your computer.

Designed with low-noise analog electronics, each mixer lets users take advantage of 100 studio-grade 28-bit digital effects. Whether used for mobile or studio recording, MultiMix USB Series Mixers make recording high-quality audio to your computer fast and easy. Alesis MultiMix USB mixers are also bundled with award-winning Cubase LE software for instant creativity right out of the box.
