

Cadenza

88-KEY, HAMMER-ACTION DIGITAL PIANO

RICH PIANO SOUND.

The Cadenza is an 88-key, graded hammer-action digital piano with the sound, feel, and performance features you need to bring your musical ideas to life. Choose between eight stereo sounds and perfect them with reverb, chorus, bass, and treble controls. Split and combine sounds to further your creativity. Play along with your favorite songs by connecting a CD or MP3 player or control virtually any MIDI software on your Mac, PC, or iPad using the Cadenza's USB MIDI output. And to complete the ensemble, the Cadenza comes with a wood-grain stand, music rack, and sustain pedal. When the spotlight shines on you, you'll have all you need to perform with the Cadenza.

FEATURES

- 88 hammer-action keys for full piano range with graded, weighted feel
- Adjustable touch sensitivity for customized performance
- Choose from among eight stereo instruments with the ability to split and combine sounds
